6. DELIVERY AND PERFORMANCE SCHEDULES. Seller shall deliver the Supplies or perform the Work in strict adherence to the schedules set forth in the Purchase Order. Unless otherwise agreed to in writing, all Supplies furnished under the Purchase Order are subject to Buyer's inspection and acceptance or rejection at Buyer's specified destination, notwithstanding any previous inspection, prior payment, or test by Buyer or its Customer it being understood and agreed that payment shall not constitute acceptance. Seller shall maintain an inspection and quality control system acceptable to Buyer and its Customer. Seller shall furnish Buyer the records of inspection or test for Supplies delivered under the Purchase Order at any time upon Buyer's request. Seller agrees that in the event of an announced price or rate reduction prior to the completion of the performance of the Work or shipment of Supplies, said price or rate reduction shall be passed on to Buyer for Supplies remaining to be shipped or Work remaining to be performed under the Purchase Order.

Seller shall comply with the terms of any non-disclosure and non-use agreement between Buyer and Seller and with all proprietary information markings and restrictive legends applied by Buyer to anything provided to Seller under these Terms and Conditions or any Purchase Order. In the absence of a non-disclosure and non-use agreement between the parties, Seller shall not use any information of Buyer or Customer – whether relating to the Purchase Order, and Work performed or Supplies delivered thereunder, or to the business and affairs of the Customer or Buyer - for any purpose except to perform the Purchase Order and shall not disclose such information to third parties without the prior written consent of Buyer, which such consent may be withheld by Buyer in its sole discretion.

To the fullest extent permitted by law, Seller shall at all times indemnify, save, defend and hold harmless Buyer and its officers, directors, shareholders, employees and agents and Buyer's Customers, their parents and affiliates, and all of their officers, directors, employees and agents, from and against all claims, causes of action, suits, injuries (including, without limitation, death) to persons and damage or loss to property, losses, liabilities, fines, penalties, costs, expenses (including, without limitation, expenses of investigation and remediation) and detriments of every nature and description (including, without limitation, all expenses, legal and otherwise, incidental to all such claims and actions) which are caused by, or are the result of, or are in any way sustained by reason of: (a) any breach of these Terms and Conditions by Seller or its employees, agents or subcontractors at any tier; (b) any breach of express or implied warranty hereunder; (c) any defect in design or manufacture of Supplies furnished in the performance of the Purchase Order; and (d) any wrongful or negligent act, error, or omission of Seller or any of its suppliers, subcontractors, agents and anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable in the performance of the Purchase Order; and (e) any act or omission, while on or near the premises of Customer or Buyer, of Seller or any of its suppliers, subcontractors, agents and anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable. This indemnification obligation shall not be limited in any way by required, actual, or available insurance coverage.

23. LIMITATION OF LIABILITY. Buyer's liability to Seller hereunder shall not, under any circumstances, be greater than the total dollar amount of the Purchase Order for which such liability relates to or arises out of. UNDER NO CIRCUMSTANCES SHALL BUYER BE LIABLE TO SELLER FOR ANY CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE OR EXEMPLARY DAMAGES, REGARDLESS OF WHETHER SUCH DAMAGES ARE BASED ON TORT, A BREACH OF CONTRACT, BREACH OF WARRANTY, STRICT LIABILITY OR ANY OTHER THEORY OF RECOVERY AND REGARDLESS OF WHETHER BUYER HAS BEEN ADVISED OF THE POSSIBILITY OF THE SAME.

24. WAIVER OF RIGHTS. Failure of either party to insist on performance of any provision of the Purchase Order or these Terms and Conditions shall not be construed as a waiver of that provision or a waiver of Buyer's or Seller's right to require compliance with such provision in any later instance. If any provision of the Purchase Order or these Terms and Conditions is found to be illegal or unenforceable under law, that provision shall be deleted; however, all other provisions of the Purchase Order or these Terms and Conditions, as the case may be, shall not be affected thereby and shall remain in full force and effect.

25. PATENT, COPYRIGHT AND TRADEMARK INDEMNITY. Seller shall indemnify, defend and hold harmless Buyer, its affiliates, subsidiaries, directors, officers, shareholders, employees, agents, Customers, and those for whom Buyer may act as agent, from any fines, penalties, losses, damages, liabilities, costs or expenses (including attorneys' fees) that Buyer, its affiliates, subsidiaries, directors, officers, shareholders, employees, agents, Customers may incur as a result of any claim of infringement of any patent, copyright or trademark by reason of sale or use of any Work performed or Supplies sold to Buyer under the Purchase Order. In the event of an injunction or restraining order, Seller shall, at its own expense, either procure for Buyer the right to continue to sell or use the infringing Work or Supply or replace or modify the infringing Work or Supply so that it becomes non-infringing.

26. WAIVER, RELEASE, AND REMOVAL OF LIENS. Where applicable, and to the extent permitted by law, prior to commencement of the Work, Seller agrees to execute and tender to both Buyer and the Customer a waiver of liens form (each, a —Lien Waiver), waiving on behalf of itself and all of its suppliers, materialmen and subcontractors, all mechanics' liens, materialmens' liens, construction liens and other types of liens against Buyer, the Customer and any of the property thereof. In such event, Seller acknowledges and agrees that the project described in the Purchase Order will be a —no-lien project under applicable law, and that Buyer or the Customer will be filing the aforementioned waiver of liens in the appropriate recording offices, if required. To the extent that applicable law does not permit a lien waiver to be effective prior to commencement of the Work, Buyer and the Customer may require that each invoice for payment submitted by Seller be accompanied by a Lien Waiver properly completed by the appropriate parties to cover the amount and date of payment to Seller (or its materialmen, suppliers or subcontractors, as applicable) as reflected in the applicable invoice. Without limiting the generality of the foregoing, as a condition precedent to the final payment of the contract price (which may include retainage) pursuant to the Purchase Order, Seller shall provide to Buyer and Customer a full and unconditional waiver and release of liens properly executed by Seller and all parties engaged by Seller to furnish labor or materials in connection with the performance of the Work. Without limiting the foregoing, Seller shall keep all Work performed and the property at which such Work was performed free and clear of all liens arising out of the performance of Work. Within ten (10) days after written demand by Buyer to remove any lien or notice of suit or other proceeding from any property, and such lien arises from or is connected with the Work of any other acts or omissions of Seller, including without limitation, Seller's failure to promptly pay its subcontractors, materialmen, and suppliers, Seller shall cause any such lien or notice to be removed as a matter of record against the title of the property. If Seller fails to cause any such lien or notice to be expunged within such time period, Buyer shall be entitled to use whatever means in its discretion it may deem appropriate to cause such lien, suit, or notice connection with such removal or dismissal, together with all reasonable attorney's fees shall be immediately due and payable to Company by Subcontractor and may be set off against any payments due to Subcontractor.

27. TERMINATION FOR CONVENIENCE. Buyer reserves the right, at any time, in its sole discretion, to terminate the Purchase Order, in whole or in part, by written notice of termination for convenience to Seller. If the Purchase Order is so terminated then, within ten (10) days following Seller's receipt of said termination notice, Seller shall be entitled to submit a claim for equitable adjustment, which claim shall document the basis for Seller's claim. Failure of the parties to agree to an adjustment shall be considered a dispute under Section 33 (Disputes) hereof and shall be addressed in accordance therewith. If the termination for convenience is directed solely by the Buyer any claim for adjustment shall be resolved in accordance with Section 33(a); if the termination for convenience is directed by the Customer, any claim for adjustment shall be resolved in accordance with Section 33(b). Buyer shall be obligated to pay only for Work performed or Supplies ordered prior to the termination date.

28. TERMINATION FOR DEFAULT. Buyer may, without liability, terminate the Purchase Order, in whole or in part, by written notice of default to Seller, and Surety if any, if Seller: (a) fails to make progress so as to endanger performance of the Purchase Order; (b) fails to provide written adequate assurances of future performance; (c) fails to comply with any other instructions stated in the Purchase Order or any of the provisions of these Terms and Conditions or otherwise incorporated herein or therein or appended hereto or thereto; or (d) becomes voluntarily or involuntarily subject to any proceeding under bankruptcy or insolvency laws, or a receiver for Seller is appointed or applied for, or makes an assignment for the benefit of creditors. If Buyer terminates the Purchase Order, in whole or in part, Buyer may procure similar Work or Supplies from a third party, and Seller shall be liable for any additional costs above the contract price stated in the Purchase Order for the remaining Work or Supplies. In the event of a partial termination, Seller shall perform that portion of the Purchase Order not terminated. Buyer may withhold from any payments due Seller any sum necessary to protect Buyer against any liability or expenses due to the termination for default. In the event of termination, Seller shall be compensated only for Work actually performed and accepted by Buyer and the Customer or Supplies actually delivered and accepted by Buyer and the Customer. Buyer may require Seller to deliver to Buyer any supplies and material, manufacturing materials and manufacturing drawings, inspection reports, technical data, computations, and designs that Seller has specifically produced or acquired for the terminated portion of the Purchase Order. Buyer and Seller shall agree on the amount of payment for these other deliverables. If after termination under this Section 28, it is determined that Seller was not in default such termination shall be deemed a termination for convenience as provided for in Section 27 hereof.

29. NON-EXCLUSIVE REMEDIES. The remedies afforded Buyer herein are cumulative and are in addition to all remedies Buyer may be entitled to at law or in equity.

30. ASSIGNMENT. Seller shall not assign the Purchase Order to any other party without the prior written consent of Buyer. Buyer may withhold such consent in its sole discretion. Any attempted or purported assignment of the Purchase Order without Buyer's prior written consent shall be null and void and not binding upon Buyer.

31. COMPLIANCE WITH LAWS; PERMITS, LICENSES. Seller shall comply with all applicable federal, state and local laws, rules, regulations and orders (—Laws!), including, but not limited to, the following, as may be amended from time to time: (a) the

Seller shall obtain all permits and licenses required for the performance of the Purchase Order at no additional charge to Buyer. If, as a result of any violation of Laws by Seller, its employees, agents or subcontractors at any tier.: (i) Buyer's contract price or fee is reduced; (ii) Buyer's costs are determined to be unallowable; (iii) any fines, penalties, or interest are assessed on Buyer; or (iv) Buyer incurs any other costs or damages, Buyer may make a reduction of corresponding amounts (in whole or in part) in the price of the Purchase Order or any other contract with Seller, or demand payment (in whole or in part) of the corresponding amounts. Seller shall pay such amounts within ten (10) days of such demand.

32. APPLICABLE LAW. These Terms and Conditions shall be governed by and construed in accordance with the laws of the state of California, except that State of California's conflicts of laws rules shall not apply, and except that any provision under these Terms and Conditions that is: (a) incorporated in full text or by reference from the Federal Acquisition Regulations (FAR) or the Defense Federal Acquisition Regulations Supplement (DFAR), as the case may be; (b) incorporated in full text or by reference from any agency regulation that implements or supplements from the FAR or DFAR or; (c) that is substantially based on any such agency regulation or FAR or DFAR provision, shall be construed and interpreted according to federal common law of government contracts as enunciated and applied by federal judicial bodies, boards of contracts appeals and quasi-judicial agencies of the Government.

33. DISPUTES. (a) Any controversy or claim arising out of or relating to these Terms and Conditions, or Buyer or Seller's breach thereof, that is not settled by direct negotiation between the parties, shall be settled by arbitration in California, administered by the American Arbitration Association under its Commercial Arbitration Rules and Mediation Procedures currently in effect, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.

(b) Any controversy or claim arising out of or relating to a Customer mandated change, direction or breach shall be settled subject to a pass-through claim under the Contract Disputes Act, 41 U.S.C. 601 et seq. whereby Buyer may act as a conduit for Seller's claims for any controversy or claim arising out of or relating to Customer. Buyer may elect to sponsor any such claim under the Prime Contract Disputes Clause, provided, that (a) Seller's claim is certified to the extent required by the Prime Contract Disputes Clause, (b) Buyer is given no less than sixty (60) days to review the certified or uncertified claim before its submission to the Government's Contracting Officer, and (c) Buyer reasonably determines that the claim is fairly stated and reasonable in both substance and amount. If Buyer has reasonable grounds to dispute any part of any claim, the non disputed claim elements shall be submitted to the Government and the disputed amounts shall be promptly mediated or arbitrated so as not to prejudice either party in recourse against the Government. The rights and obligations of the parties under this Section shall also apply to requests for equitable adjustment. Seller shall furnish all required testimony and documentation to support its claims. Buyer assumes no fiduciary responsibility for prosecution and recovery on Seller's behalf. Seller shall be obligated to compensate Buyer for all costs and expenses, including legal and consulting fees and administrative expenses, that Buyer incurs to present Seller's claims to the Customer for consideration or payment or to arbitrate, mediate, or litigate such claims. In the event that Buyer recovers and collects damages from Customer on account of Seller's claims through negotiation, litigation, mediation, or arbitration, then Buyer shall tender to Seller the amount actually recovered and collected less the cost of prosecution and administration, and Seller shall accept that amount as payment in full for its claims and damages releasing Buyer from any additional liability or damages on the claims. If the claim is denied or the amount claimed or recovered is not collected, the Seller shall release Buyer from any and all liability for the claims and damages. Seller agrees that it shall not be entitled to recover any damages from Buyer on account of claims for additional compensation arising out of or related to a Customer directed change, direction, or breach unless and until Buyer recovers and collects such damages from Customer. Such recovery and collection from Customer is an absolute condition precedent to Seller's right of recovery from Buyer. It is understood and agreed that Seller shall present all claims in strict accordance with the time limits and documentation requirements in this Purchase Order so as to permit Buyer to mitigate damages and advise the Customer. To the extent not covered elsewhere in the Purchase Order, all claims or requests relating to the payment or schedule of the Work must be made in writing with supporting detail and documentation within ten (10) business days of the Seller's discovery of the claim, or when the Seller otherwise should have discovered the claim with the exercise of reasonable diligence, whichever is earlier. Seller's failure to strictly comply with this provision, and similar provisions in this Purchase Order and the Contract Documents, shall be conclusively presumed to constitute a waiver of Seller's rights and claim.

(d) Pending final resolution of any controversy or claim hereunder, Seller shall proceed with the performance of the Purchase Order in accordance with Buyer's instructions.
